

# IQUE

**A affectionate nickname translates into a nearby wine, faithful companion of any shared moment. Enrique Foster projected in IQUE the intention to preserve the freshness of the new wine, inviting to play with the flavors and meet new facets of each varietal.**

100% Malbec.

Vista Flores, Tunuyán. Mendoza province, Argentina. 1050 meters above sea level. High density vertical shoot position. 6850 plants per hectare. Yield 2 bottles per plant.

10% oak aging, 90% unoaked fermentation.

Intense red rubi color with violet hues, it has fruity aromas that resemble red fresh fruit and white pepper. Deep structured, lush and soft tannins and satisfactory ending.

Excellent pairing with chocolate.

Serving temperature: between 14° and 18° C.
